Dear Mr. Gauthier:

On August 22, 2002, the Department of Environmental Services (DES) conducted an inspection of Cliff's Auto Body (Cliff's). The purpose of the inspection was to determine Cliff's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Cliff's was issued Letter of Deficiency No. WMD 02-42 (LOD). Based upon a review of Cliff's submittal dated January 9, 2003, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Cliff's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
